

SN	Item Description	Quantity
1	15mm copper pipe, working pressure 15 bar g, compressed air (Non-medical), Make: LAWTON or equivalent	6 m
2	22mm Isolation valve, PN 25, with compression fitting, (Working pressure 15 bar g), non-medical, Make: LAWTON	6 nos.
3	22mm copper pipe, working pressure 15 bar g, compressed air (Non-medical), Make: LAWTON	6 m
4	22mm to 15mm copper reducer (working pressure 15 bar g), non-medical, Make: LAWTON or equivalent	10 nos.
5	22mm, 90° Elbow, copper, working pressure 15 bar g, (non-medical), compressed air, Make : LAWTON or equivalent	6 nos.
6	28mm Isolation valve, PN25, with compression fitting, (Working pressure 15 bar g), non-medical, Make: LAWTON or equivalent	20 nos.
7	28mm copper equal 'T' (working pressure 15 bar g), non-medical, Make: LAWTON or equivalent	20 nos.
8	28mm copper pipe, working pressure 15 bar g, compressed air (Non-medical), Make: LAWTON or equivalent	30 m
9	28mm to 22 mm copper reducer (working pressure 15 bar g), non-medical, Make: LAWTON or equivalent	6 nos.
10	54mm Isolation valve, PN25, with compression fitting, (Working pressure 15 bar g), non-medical, Make: LAWTON or equivalent	5 nos.
11	54mm copper pipe, working pressure 15 bar g, compressed air (Non-medical), Make: LAWTON or equivalent	75 m
12	54mm to 28mm reducer (working pressure 15 bar g), non-medical Make: LAWTON or equivalent	4 nos.
13	54mm, 45° Elbow, copper, working pressure 15 bar g, compressed air (Non-medical), Make: LAWTON or equivalent	6 nos.
14	54mm, 90° Elbow, copper, working pressure 15 bar g, compressed air (Non-medical), Make: LAWTON or equivalent	12 nos.
15	54mm, Equal 'T' (working pressure 15 bar g), (non-medical), Make: LAWTON or equivalent	5 nos.
16	Offset pipe clamp for 22mm pipe	10 nos.
17	Offset pipe clamp for 28mm pipe	30 nos.
18	Split clamp support for 28mm pipe	15 nos.
19	Split clamp support for 54mm pipe	20 nos.
20	copper brazing rods 1.5mm	2 packs
21	copper brazing rods 2.5mm	4 packs
