

Technical drawing of Detail B, showing a semi-circular cross-section of a dome. The drawing includes the following dimensions and features:

- Horizontal distance from the wall to the center of the dome: 15
- Vertical height from the base to the top of the dome: 1.65
- Radius of the dome: $\phi 38.50^{+0.01}_{-0.1}$
- Angle between the wall and the dome's surface: ϕ
- The dome's profile is indicated by a dashed semi-circular arc.
